To whom it may concern,

We recently engaged Sales Talent Agency to find a suitable intermediate level Investor Relations candidate for Atico Mining.

Dean reached out to us with several pre-screened and interviewed candidates that matched up to our criteria. Dean, representing Sales Talent Agency, was responsive and thorough in his follow-up throughout the process and was instrumental in securing for us a new employee that we are very happy with. His advice and support during the recruitment process was exemplary.

I would have no hesitation in recommending Sales Talent Agency and Dean in particular to assist in finding appropriate candidates for job vacancies and to deal with a professional ethical recruitment agency.

Sincerely,
