

BLENDER

To whom it may concern,

I am pleased to recommend both Peymaneh Chychi and Sales Talent Agency as vendor of choice for all sales hiring needs.

Peymaneh and I began our partnership over one year ago when Blender Media was looking to implement an Inside sales team. From our initial meeting, she took the time to understand our business and identify exactly what we were looking for. I found that both Jamie and Peymaneh offered valuable insight as it relates to interviewing and measuring candidates to ensure a long term match. The candidates presented to Blender Media all had relevant experience and were results focused. The team worked fast to head hunt and find candidates that were not in our network thus opening us up to a much larger pool of talent.

In the last year, I have hired a number of employees in varying roles and will continue to work with STA. We have developed a great partnership and I would highly recommend Peymaneh, Jamie and the entire team at Sales Talent Agency to any organization looking to build a "revenue generating" sales team.

Regards,

Brad Johnson

President of Blender Media
