To whom it may concern,

I was initially impressed with the enthusiasm, confidence, and professional demeanor that Sales Talent Agency and especially my Account Manager, Megan Dalton, showed when launching the search for a sales representative at Steamworks Brewing Co. In the 2 months we worked together, she consistently demonstrated all of these qualities and more, resulting in us hiring one of her candidates shortly after.

It was very evident that Sales Talent Agency had access to candidates that Steamworks would have not been able to access on our own, and throughout the process there was constant communication and an urgency that made us feel like a very valued client.

Since our hire through STA 10 months ago, Megan Dalton has continued to demonstrate her professionalism and commitment to us through regular communication and follow up, along with a very friendly and helpful demeanor. Through Megan's hard work and dedication she has developed our relationship with Sales Talent Agency into a valuable and respected partner our company can count on to meet our sales recruitment needs.

I fully endorse and recommend the services provided by Megan and the Sales Talent Agency Team.

Sincerely,

  
Sales Manager  
Steamworks Brewing Co.
