To Whom it may concern,

I'm pleased to recommend Paul Diamond and Sales Talent Agency. Our recent experience with Paul in filling a sales management role at our company was very positive. As a relatively small firm, we don't hire senior people that often and appreciated Paul's guidance in both defining the role and compensation to attract our ideal candidate. I'm extremely pleased with the outcome of the process and believe the candidate ultimately chosen to fill the role in our firm fits culturally, skill wise and will be a great addition to our team.

I would not hesitate to recommend Paul to any firm looking to hire sales talent.
