

E.F. WALTER

GROUP

We have used Netty Kim-Hull and Sales Talent Agency for two hires now (one senior and one junior) and both have been excellent additions to our team. Netty ensured that she fully understood who we are as a company, the skills and character of the individual we were looking for and what would make a successful hire. The process simple, quick and straight-forward – she brought forward multiple strong candidates and the hardest part was choosing.
