RE: Reference Letter – Sales Talent Agency

Dear Arianna,

We are happy to provide Sales Talent Agency with a reference letter with regards to the excellent service they've provided us thus far.

Sales Talent Agency has provided us with excellent service right from the very beginning. From the many agencies we've contacted, Sales Talent Agency followed up with us promptly. Kristin Condon and Arianna Mills quickly assessed our internal recruitment needs, and whether they can truly partner with us in helping us headhunt top sales professionals for our vacancies across Canada, together they make a true power team. They have since presented us with qualified candidates, in a timely and professional manner and have demonstrated the ability to truly pinpoint our needs. We've been successful at hiring great candidates with their help and plan to continue our partnership with them for years to come.

We appreciate the time, dedication and promptness they've demonstrated and absolutely value their efforts.

Sincerely,
