RE : Kristin Condon, Sales Talent Agency

To whom it may concern,

Kristin Condon has been working as an external recruitment partner with Free Daily News Group Inc. O/A Metro since 2011. Kristin has been diligent in filling a number of sales roles within our organization in various Metro operations across the province. These sales professionals have been successful with the organization since date of hire and we are extremely pleased with the quality of candidates that Kristin continues to bring us.

Kristin has proven to be a reliable and credible Account Manager, providing quality candidates within a short time frame. Her consistent and thorough follow up and going the extra mile for clients is what has made her a recruitment partner that our company will look to for filling sales roles. Working closely with the hiring managers in each role, Kristin arranged each step in the recruitment process. The service provided is always professional and collaborative with a high level of commitment to each search.

We have found great value in working with Kristin and the team from Sales Talent Agency and would highly recommend them to any organization looking to recruit some of the best talent in sales professionals.

Sincerely,
