Re: Sales Talent Agency

To whom it may concern,

If you are looking for top sales talent in Toronto, look no further than Sales Talent Agency.

We recently acquired a company in Canada and needed to build an inside sales force very quickly. I was referred to Sales Talent Agency and it has become an extraordinarily successful partnership.

With a very short notice period of 2 weeks, Amber Bellaire was able to present us with a host of fantastic candidates, 90% of whom we hired and are successful MultiView salespeople today.

Since then, we have continued to work closely with Amber and the team at Sales Talent Agency and have hired over 20 salespeople to date. This number will continue to grow as we do as a company.

What sets Sales Talent Agency apart from the rest is their incredible ability to rapidly understand our business, our culture and, therefore, our needs. We have yet to meet a submitted candidate who wasn't a good fit with what we were looking for.

In addition to their best-in-class expertise and professionalism, they are also a joy to work with and their "customer service" is second to none.

We very much anticipate a long and fruitful relationship with the team at Sales Talent Agency.

Sincerely,

Paul Gregory
