To Whom It May Concern,

This letter is to confirm Siteimprove has used Sales Talent Agency as a recruitment service on a couple of occasions.

The quality of candidates they put forward has been excellent and they operate in a prompt and very professional manner to accommodate our needs.

Asad Zaman and his team do a fantastic job of ensuring they thoroughly do their homework to learn as much as possible about a candidate before presenting them to us. The attention to detail and professionalism makes it no coincidence why the quality of candidates brought forward is so consistent.

I have no hesitation of recommending Sales Talent Agency to anyone looking to find the best candidates on the market.

Sincerely,

Director of Sales

Siteimprove Inc.
