To whom it may concern,

This year has been an exciting time for our company, Strutta. We are an innovative online marketing technology company that has been adding top talent to our team to meet aggressive growth goals. With limited internal resources to source and acquire the best sales talent out there and a sense of urgency, we reached out to the team at Sales Talent Agency. After meeting with Jamie and Megan, we felt confident that they were up to the challenge.

During our intensive recruitment period, the Sales Talent Agency team presented us with numerous exceptional candidates and was instrumental in assisting us in the screening and profiling of all of our potential new sales hires. We found the end-to-end solutions provided by Sales Talent Agency incredibly effective and efficient – especially the profiling.

We are very pleased with the candidates that we have brought on the team so far, and we will continue to grow aggressively and look forward to working with Sales Talent Agency again in the future.

I fully endorse Megan and Jamie and the services provided by Sales Talent Agency.

Sincerely,

Strutta.com Media Inc.
