Paul,

I wanted to write you in appreciation of my recent hire in sales. The recruitment process was informative, creative and effective.

I have worked with many sales recruitment firms in the past but found that Paul and Sales Talent Agency were able to quickly understand my distinct requirement. Besides being a joy to work with, Paul was a true professional providing great insight to finding the right candidate for my sales role. Sales Talent certainly stepped outside the box posting the role exactly as I saw it. The description was accurate, energetic and sincere. Paul was attentive, easily accessible and full of resourceful ideas to better assess candidates to determine the right fit.

My requirements and business is growing at a rapid pace. I will be engaging Paul and Sales Talent Agency again to support our growth in the near future. I strongly recommend utilizing their expertise and unique approach to recruit sales professionals in any industry.

Best Regards,
