To Whom It May Concern:

Earlier this year, our company entered into a relationship with the Sales Talent Agency, and Julie Leal, in order to work toward filling a vacant position for a salesperson in our Western Canada territory.

We have worked with recruiters all over North America, and I found the working relationship with Sales Talent Agency to be excellent, and the quality of candidates brought forward to be very high. Ongoing communication and follow up was very strong throughout the entire process.

When we have a need for Canadian candidates in the future, I look forward to working with Julie Leal and Sales Talent Agency for those needs.

Sincerely,

Terryberry Company
