To whom this may concern,

My name is David Sevitt and I'm the CRO at Giftagram, a growth-stage corporate gifting company based in Toronto.

We recently partnered with Sales Talent Agency STA NEXT division to assist us in hiring our first SDR. From the very beginning of our relationship, Sales Talent Agency's expertise, professionalism, and dedication to delivering outstanding results exceeded our expectations and played an integral role in this project's success. I worked with Danielle Buchmayer and Daniela Dossantos, who were both insightful and highly responsive.

We were particularly impressed with the time Danielle and Daniela took to fully understand our business needs before sharing candidates for us to speak with. The candidate we hired has been wonderful and already has been promoted to a new role. Overall, our experience with Sales Talent Agency has been fantastic. I would not hesitate to refer Sales Talent Agency to any company with recruitment challenges.

Best,

David Sevitt
